Board of Directors Meeting

August 14, 2018, 7:00pm

Home of Julia Book, 63 Brown St., Weaverville NC

- a. Board members discussed the decorative stone in the yard of a homeowner which was not approved by the ARC prior to installation. ARC Guidelines address stone walls and some Board members feel this stone should be considered a wall and meet those Guidelines, which say a wall should be of stone similar to the stone on the front of the home. Julia Book moved that a letter be sent by the Board asking the homeowners to submit an ARC approval request form for the structures in their front yard. The motion was seconded by Scott Hugues. Approved unanimously.

5. New Business

Scott Hughes moved approval of a contract from CDC for the required stormwater drainage system inspection at a cost of around \$800. The motion was seconded by Jay Coyle. Motional was unanimously approved. A previous motion in this meeting moved funds to cover part of that expenditure.

Meeting adjourned at 7:55 PM.

Next Meeting scheduled for November 13, 2018.
